IV. The value and impact of the Writing Project for you

A. Please use the scale below to indicate the extent to which you agree or disagree with each of the following statements.

V. The impact of the Writing Project on your teaching practice this year

Please use the scales below to indicate how often you use the following teaching practices in your classroom this year and the influence of the Writing Project (WP) on your use of these practices this year compared to prior years you taught.

Although it may appear that there is some redundancy in the specific practices listed, the wording of each question is deliberate and each item is necessary to the survey. Please bear with us and answer each item.

	How often do you use each of the following teaching practices in your classroom this year? (Circle one per row)			How, if at all, has your practice changed as a result of your Writing Project involvement? (Circle one per row)
