

APPENDIX C

University Competencies for Academic Success

The Committee of the Academic Senates of the California Community Colleges, the California State University, and the University of California has prepared a publication entitled *Academic Literacy: A Statement of Competencies Expected of Students Entering California's Public Colleges and Universities*. It is available on-line at <http://www.academicssenate.cc.ca.us/icas.html>.

Further information is available from <http://www.ucop.edu/sas/sub-a/>, which is an on-line version of the University of California's Subject information booklet. The website is designed to provide teachers and students with information about University expectations for preparation in academic writing. The website <http://www.essayeval.org> offers teachers and students opportunities to have sample essays evaluated by either University of California and California State University faculty members.
